Dear Roland

On behalf of Focus on iThemba, please accept our most sincere appreciation for assisting us to raise funds on 16 June 2007 at the Le Domaine Arts and Culture event.

Your challenge to the audience by setting R1000.00 as an initial amount resulted in pledges to the value of R8000 being received for our iThemba foster care project.

The pledge of R1000 by Rumbelow Theatre is most appreciated and is not taken for granted. It will be used towards ensuring that the children at the foster homes are adequately cared for and that they will continue to enjoy the safety and peace of being part of the iThemba family.

We thank you most sincerely for your genuine interest in this project and look forward to the time when you will possibly be able to visit Focus on iThemba to see for yourself the work being done in the iThemba project.

We trust that your organization will go from strength to strength and that you will continue to be an inspiration to the people and children of our communities.

Yours faithfully

Gavin Kruger  
Director of Donor Development
